Education

Robert Morris University

Aug 2023 - May 2025

Master of Science, Data Analyst

Course work: Data Visualization, Data Warehouse, Data Analytics, Distributed Systems, Machine Learning Technologies, Python, Database Management System

L J College Of Computer Application, Gujarat, India

Aug 2020 - May 2023

Bachelors of Science, Computer Application

Participant of Smart India Hackathon Course work: Web Development, Software Development Life Cycle, Basic Machine Learning, Python, DBMS, C#

Technical Skills

Languages: Python, SQL, NoSQL, C/C++, JavaScript, TypeScript

Databases: MySQL, MongoDB

Cloud Technologies: AWS, Google Cloud

Framework & Tools: Power BI(Dashboard),Tableau, GitHub, Microsoft Dynamics 365, Django, Microsoft Excel,

AI/ML Libraries: Pandas, NumPy, Scikit-learn, TensorFlow, PyTorch, Matplotlib, OpenCV

Soft Skills: Communication, Problem-solving, Teamwork, Adaptability, Time management, Critical thinking, Leadership

Work Experience

Infolabz

Jan 2022 - July 2022

Python Developer Intern

Gujarat, India

- Collaborated with the client to gather requirements, translate business needs into technical specifications, and develop a dynamic website using **Python** and the **Django framework**, improving website functionality by **25%**.
- **Integrated a SQL database**, optimizing data storage and retrieval, resulting in a 30% increase in query efficiency and faster data processing.Developed and implemented new features based on client feedback, achieving a **20%** improvement in user engagement and overall website performance.
- Optimized backend code and enhanced website security, reducing page load time by 20% and ensuring a seamless user experience. Collaborated with cross-functional teams to troubleshoot and resolve issues, ensuring a **95% uptime**

Shriram Fortune

Feb 2023 - July 2023

Data Analytics Intern

Gujarat, India

- **Conducted data cleaning, preprocessing, and storage** for high-quality datasets in model training.
- **Developed Sql and Python** for data extraction and analysis, improving data processing efficiency by **20%**.
- Designed interactive **Power BI dashboards** to monitor KPIs such as customer acquisition, policy renewals, and sales performance, contributing to a 25% improvement in decision-making speed.
- Collaborated with sales and marketing teams, providing insights that improved sales conversion rates by **22%**

Projects

HR Analyst: Power BI Dashboard for HR Analysis | *Power BI, Microsoft Excel, MySQL*

[Git](#)

- Built an HR analytics dashboard with **Power BI, SQL, and Excel**, improving reporting efficiency by **60%**. Cleaned and transformed datasets, improving **data accuracy** and **consistency** by 20%
- Developed dynamic visualizations to track key HR metrics such as employee attrition, performance, attention and demographics, providing actionable insights to drive retention strategies and workforce optimization.

Business Analyst: SIDA (Sales Insights Data Analyst) | *PowerBi, MS Office Excle, MySQL*

[Git](#)

- Led the SIDA project using **Power BI and MySQL** to improve sales performance by **20%** and enhance strategic decision-making by **10%**. Utilized data visualization to track **sales** and **customer behavior**.

Finanical Analyst | *Data Modeling, DAX, MySQL, Microsoft Excel, Power BI, Data Visualizations,*

[Git](#)

- Developed a financial analytics dashboard using **Power BI**, advanced data modeling, and **DAX** calculations to improve data insights by **30%**. Utilized time intelligence for **trend analysis**, increasing forecasting accuracy by **20%**. Created dynamic data visualizations of KPIs like profit margins, enhancing decision-making efficiency by **25%**.

RealEstate Insight: Interactive Property Price | *Pandas,Numpy, Geospatial Mapping,Python*

[Git](#)

- Leveraged advanced visualizations to facilitate quick, **data-driven decisions**. Reached 90% accuracy in price predictions through sophisticated **data analysis** and **machine learning**, reducing data processing time by **50%**.

Certifications

- Achieved **AWS Certified Cloud Practitioner**, demonstrating proficiency in cloud computing
- Received a certificate for completing **Data Analytics** program from Bootcamp
- Earned a **Python for Data Science** certificate
